9-5/8"

Side Pieces (x2)

2 - End Pieces - 16-1/4" wide x 9-5/8" tall

2 - Side Pieces - 19-1/8" wide x 9-5/8" tall

1. Cut side pieces and end pieces to dimensions listed above.

2. Dado or Router rabbits on end pieces.

3. a) Frame Rest = 5/8" deep x 3/8" wide (3/8" is half the thickness of a 1x board)

b) rabbits for side pieces to fit into are 3/8" deep x 3/4" wide (full thickness of 1"x board)

4. Waterproof glue rabbit joints and staple or screw ends to sides.

5. Box handles can be cut into boxes or handles can be attached with screws.

6. 5-Frame Nucs are made the same way, however end pieces are 9" wide instead of 16-1/4" wide.

(not to scale - use measurements)
